MEMORANDUM

THE WHITE HOUSE
WASHINGTON

June 6, 1974

MEMORANDUM FOR: ROSE MARY WOODS
FROM: DAVID PARKER
SUBJECT: Mideast Trip

It has been traditional for the President to present inscribed photographs to foreign leaders that he meets with on trips abroad.

In connection with the upcoming Mideast trip, the President has already given inscribed photos to King Faisal of Saudi Arabia, King Hussein of Jordan, and Prime Minister Rabin of Israel (when he was Ambassador).

Since President Sadat (Egypt) and Assad (Syria) have not received inscribed photos, it would be most appropriate for the President to inscribe pictures for them to be framed in silver frames with the Presidential seal prior to the visit. Also, since he is officially the guest of President Katzir, an inscribed photo for him also would be appropriate. (Israel)

The President may prefer to inscribe them spontaneously which could be accomplished, of course, if that is his desire.

Would you please ascertain from the President what his wishes are in this regard and if he prefers to have them ready beforehand, do the necessary followup.

Thank you.
